RE: Caporzi v. USA, EDCV 10-0239-AHM-DTB

Dear Sir,

Enclosed please find a Motion For A
Privilege Log and Motion For Court Order To
Compel The United States To Provide Discovery.

I beg the Court's patience if I'm
doing anything improperly. I really need an
attorney to do all these things and more
in the future and would ask again for the
Court to appoint Ms. Jennifer Tobin from PILP
to do the case due to expected complexities I
cannot deal with. I don't know how to do discovery,
or depose people. And the trial is going to be very

very hard for me to do. Jennifer helped me to do this here stuff by sending me advice and a pamphlet. But she don't get paid to do the case or nothing cuz they were only approved for doing the Amended Complaint.

To be honest, I'm intimidated by the AUSA whenever they file their responses, and I get really nervous cuz I don't know what I'm supposed to do or not do. Plus, I cannot call them or nothing and try to "settle" if they want, not only that, but I don't know how to do all that. I think Jennifer could do that good for me if they were willing to settle and she did the whole process to negotiate.

At any rate, please also ^{re-}consider appointment of counsel again at this time too? Thank you very much.

Very Truly,

Derek A. Capozzi
